READINESS TO LEARN FROM HOME

PARENT/CARER INFORMATION LEAFLET – HELPFUL HINTS

Within South Park Primary, learning tasks will be set by your child's class teacher via Google Classroom. Completed work should be submitted via SeeSaw, using the Home Learning QR code in your child's home learning jotter.

Your child has been shown how to access this within their class. They have been shown where to find their tasks, how to communicate with their teacher and how to upload their work. If your child has any difficulty accessing this at home, please see the important information details below.

Each day, a number of tasks will be issued for your child to complete. These will include a Literacy task, Numeracy task and a learning task from at least one other curricular area. The expectation is that your child will undertake a literacy, numeracy and HWB or other curricular area daily. Children need to log on daily to ensure continuity of learning. All work completed whether practical or written can be submitted through Seesaw.

Your child's class teacher will be available to answer questions during the school day via email. Responses may not be instant, but they will endeavour to respond as quickly as possible.

If you have any additional questions or queries, please do not hesitate to contact the School Office on office@southpark-pri.s-lanark.sch.uk where we will be happy to help.

All information regarding online learning will be posted on our youtube channel, website and twitter. It is important that we are able to continually communicate with you and support you with online learning so please ensure you follow us on twitter.

At this time of uncertainty and ever changing situations and guidance it is paramount that we have got correct and up to date contact details for all our families and carers. Please ensure you receive all school emails, of which there are many at the moment! If you are not receiving emails please contact the school as a matter of urgency.
