Newsletter October 2020

www.southpark-pri.s-lanark.sch.uk

@SouthParkEk

Welcome to our first PTA Newsletter.

With us now relying even more so on digital communication, it was suggested that a Newsletter would be beneficial to keep you all up to date with what we have been working on.

The Parent Teacher Association work together for the benefit of our Children at South Park.

As always we welcome new members on board with any suggestions or ideas you may have.

Easy Fundraising

The Easyfundraising page for South Park Primary School has now been set up.

Please join us in our efforts to raise funds for our lovely children and to support their overall development in a nurturing, vibrant and caring learning environment.

It is free to use and over 4000 retailers will make donations to our cause, varying from 0.50% and up to 15% every time we will be shopping online using the Easy fundraising App or by accessing their website.

Happy Shopping!

Bounce Back With South Park

Our new Bounce Back with South Park

Facebook page is doing very well with 15 virtual stall holders committed to Dec/Jan rental.

The current raffle is almost complete with just 6 numbers left in less than a week, this will generate £50 for PTA funds.

We have lots of competitions and raffles planned for this page which we expect to run even after Christmas.

Please come along and join us if you haven't already done so.

BOUNCE BACK WITH SOUTH PARK

<https://bit.ly/3jbloz4>

Free Halloween Competition

We have a Free competition running for the Children to get involved.

Two lucky families have the chance to win a Dominos Pizza Meal and Sweet Treats for a perfect spooky night.

Please head over to our Bounce Back with South Park page for full details.

Outdoor Learning

Our children seem to be adapting well to their new routines in school with one of the biggest changes being more outdoor learning. With that in mind the PTA as a whole have decided that any funds raised should go to new outdoor facilities with the main focus being an under cover sheltered area where the children can continue to safely learn in all weathers.

There is a number of Grant opportunities that are accessible for these kind of projects to which we are actively looking into and we will keep you updated on any progress.

A's Face Coverings

One of our lovely virtual stall holders has kindly offered to donate 100% profits from every hair scrunchie that she makes, too our funds. That is £3 per scrunchie all for our Children.

I think you will all agree that this is a very generous offer from this small business owner!

Winter Wonderland Walk

We are currently brainstorming ideas on what we may be able to do to make this Christmas unique and special for the Children, whilst adhering to any current Government Guidelines that is in place.

Any suggestions are welcome and we will update you as anything develops.

Next Meeting

Our Next Parent Council and PTA meeting will be held via Zoom on Monday 23rd November at 6:30pm.

Please get in touch if you would like to join us.
