A note from Mrs McNeil....

I can't quite believe I'm writing the final newsletter for our school for 2020! What a year it has been. We have as a school community experienced a very challenging time recently and I want to thank all families, staff and children for being so supportive and resilient during this time. We are very much looking forward to welcoming all classes back to school and have lots of Christmas activities planned to help us all 'Bounce Back' together!!!

The children are the heartbeat of this school and I look forward to making the festivities as enjoyable as possible and remember especially at this special time of year where the focus is very much on 'Children First'. I wish every family a very happy Christmas and hope the New Year brings all of us much happiness and health. As usual, if anyone has any issues or concerns please feel free to contact me at the school.

Christmas Fayre... Bounce Back at South Park

Our Christmas Fayre is a virtual event being run by our PTA. As intimated in our November newsletter there are lots of activities for the children to be involved in and lots of shopping opportunities for all families. The fayre has been set up with the local community in mind and it would be great to support our local businesses. Please see the link below which takes you directly to our PTA Facebook page. The next PTA meeting will be held on Monday 7th December at 6.30pm. If you would like to join the Parent Council or PTA then please let me know so I can share the meeting link with you.

Christmas Jumper Day

We will be supporting 'Save the Children' by participating in Christmas Jumper Day on Friday 11th December. Children can come to school wearing a Christmas jumper or something Christmassy for a £1 donation to this very worthwhile cause.

CHRISTMAS JUMPER DAY

Christmas Parties

Christmas parties will take place on Friday 18th December. All parties will be held in their families for nursery and class bubbles for the school. Children should wear party clothes. Juice and a snack will be provided for each child. Children in P1-3 and nursery children will receive a special gift. This will have been quarantined in school/nursery for 72 hours before being sent home.

Reports

I know I intimated in the November newsletter that an interim report would be distributed by 30th November. Unfortunately due to staff absence and the self isolation dates we have had the reports will be delayed. I hope to have all reports distributed before we close for the Christmas break. As I already mentioned if you would like an update on your child's progress at any point then please contact the school to arrange a telephone consultation with your child's class teacher. Thank you for your patience and understanding with this.
